

BUILD AN AMERICAN ARK

Advocacy of Ling Ling Shi

1. To bring back the teaching of the Holy Bible, the Truth of God, and the Gospel of God to the U.S. public schools, as a priority course in the K - 12 grades' curriculum.

The Holy Bible is the record of the Word of God and the Truth of God. It is not like the texts or religious rules of other existing religions on earth. Neither is it a superstition that confuses people. The Holy Bible is above all the book in the world. It was written over the span of thousands of years by God-chosen prophets and Lord Jesus' disciples, who were inspired by the Heavenly Father, Lord Jesus and the Holy Spirit. The Holy Bible is a collection of family letters that God meant for His children to read and to abide by. The Bible is an everlasting living book from God.

The Holy Bible establishes the laws and decrees for human lives through the histories of man's interactions with God. If mankind follows and lives by the Holy Bible, then mankind's life will be purified and tested through the fire and water of the living Truth of God. The Truth of God will bring mankind back to God's blessings with all kinds of beauties and TRUE freedom as enjoyed by Adam and Eve before they fell to sin. Moreover, by the Cross and Blood of Jesus Christ, and the Grace of His Salvation, mankind who believes in the Gospel of Jesus Christ, will be redeemed, saved and transformed by the Lord and receive the eternal life.

The Holy Bible is the treasured source of all human knowledge and is the touchstone of life. It is the first book of wisdom that every person on earth should know and learn. With the direction and guidance of the Holy Bible, together with the leadership of the living God Himself, people can line up with the Word of God, walk in the light of Truth, and receive rich blessings in God's kingdom.

Children are the future of our families and nation. Whether or not they can live righteous and uplifting lives, whether or not they can become blessings to their families, society and country, all depends entirely on whether or not they understand the Truth of God and walk in it. The best love we can give to our children is to love and care for their souls' health and wealth. The best love we can give to our children, which is also our undeniable responsibility, is to teach them to know that their lives are created by God and they need to appreciate it. We also need to teach them that their lives are meaningful and purposeful when they live in the kingdom of God's truth.

Let Americans and the U.S. government pay a serious attention to this key issue, which is to let our young generation know the importance of the Truth of God when they are young, to urge the U.S. government to set up policies, guiding rules and to create a healthy growing environment for our young generation and families based on the Truth of God, is my advocacy.

2. To enhance a harmonious relationship between the state and church of Jesus Christ. State and church both represent different operational and management systems, one is in charge the physical realm, one is in charge the spiritual realm, but these two systems need to keep a harmonious relationship based on the Truth of God in order to reach a state of mutual support, mutual help and mutual respect and to fulfill God's ordained responsibilities for the sake of God and God's children. This is my advocacy.

3. To urge the government to reform and adjust the existing economic system by establishing policies which are more fair, just, and following the free capital market principles. This is my advocacy.

4. To establish a tax-1-2-3 simplified and transparent policy and administration system according to the Truth of God so that individual Americans' and private enterprises' tax burdens can be reduced, the existing tax procedures can be simplified, and the government operational cost can be reduced tremendously. An all-win situation can be reached. This is my advocacy.

5. To urge the U.S. government to use and manage America's wealth, the tax payers' money, more rationally and efficiently through "Build An American ARK"-a new era's strategy and method for U.S. Economic Revival to fulfill the dream of having a secured and blessed future.

Standing on the foundation of Truth of God, driven by the momentum of love and responsibilities, "Build An American ARK" will lead Americans and U.S. leaders into innovative approaches and practices through 12 key economic sectors. By faith, hard working and steady steps in development, "Build An American ARK" will help U.S. to fulfill the dream of national medical and health care indeed, extinguish the jobless nation wide, establish a new financial system which benefit Americans and nation, build up a broad transportation system which can benefit Americans and nation, build up a education aids system to help our young generation and families, establish an elder care system with love and joy, eliminate the nation's deficits through positive activities, and more!

Through “Build An American ARK”, to help U.S economy to get revival indeed based on the Truth of God and enter to the Godly prosperities is my advocacy.

From Article VII, the U.S. Constitution gave us the [key Code](#) : “[Year of our Lord one thousand seven hundred and Eighty seven](#)” , a key code that opens our eyes to see the fact and truth that U.S. was established in Christian Foundation, U.S. is a Christian nation, Jesus Christ is our nation's Lord.

From the fact that the U.S. Founding Fathers singed the Constitution: Done in Convention by the Unanimous Consent of the States and declared the year was [the Year of our Lord](#), we should know that Christianity is not only the Faith of pilgrims, but also the Faith of U.S. Founding Fathers such as George Washington and other leaders who signed the U.S. Constitution Unanimously. The Key Code is in our nation's DNA, it was ordained by God and it enables us to walk out from political and religion's confusion and to know this nation's true identity; The Key Code seems like an endorsement on U.S. birth certificate-the U.S. Constitution, from our Lord and Savior Jesus Christ for this nation's birth and establishment. How amazing are the Grace God gave to America!

Christianity is our nation's Faith and Foundation; Christian-a reconciled relationship with God through Jesus Christ is available to everyone who lives in this amazing land; May our nation keep our first Love and stand strong, firm and steadfast on our original Faith, the Rock of Age-Lord and Savior Jesus Christ, with humility and gratefulness to seek the Way and the Truth and the Life. For Jesus said in John 4:16: "**I am the way and the truth and the life. No one comes to the Father except through me**".

The world is full of confusion, crisis and darkness. As a Christian nation, we should become “**the salt of the earth and the light of the world**” (Matthew 5:13,14), to proclaim the Salvation of Cross to those who are sitting in darkness and hopeless. In John 8:12, Jesus said to the whole world: “**I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life**”; As a Christian nation, America should play the role of God's ambassador and messenger to proclaim the Faith, Hope and Love to the whole world. How Amazing are the calling God gave to our nation for the sake of His earthly children!

God is Love (1 John 4:6). By His Love, all human beings can live in true freedom, the freedom with all kinds of goodness given by God-the Creator of Universe; By His Love, all human beings can receive God's grace-the Salvation of Cross and eternal life through God's only begotten Son Jesus Christ.

Admitting the fact and the truth that America is a Christian nation, and protecting its divine identity and character are the most important present mission, precondition and new beginning for America to walk into God's promised land and to achieve Godly prosperity.

It's thanksgiving season, in the land of brave and free-U.S.A, let us rekindle the Hope, “**Let us fix our eyes on Jesus, the author and perfecter of our faith**” (Hebrews 12:2) and give thanks and praise to our God the Father, God the Son and God the Holy Spirit for His everlasting love and divine plan for America; With the Truth of God, to run the race of Faith, Hope and Love in Jesus Christ!

"Glory to God in the highest, and on earth peace to men on whom His favor rests." (Luke 2:14)

A greeting letter from
Chief Editor Ling Ling Shi

Dear friends,

Today, Wells Community newspaper , like a little bird with light blue winds , is flying to you, my neighbors. May her singing carry the messages to touch your hearts and your souls.

Today, I want to tell you what Lord Jesus said to us in Matthew 11:28: “Come to me, all you who are weary and burdened, and I will give you rest.” May Jesus' Love on the Cross lead you home, the sweet, sweet home, the home God prepared for his children.

Today, this little bird invites you to fly with her, fly to the realm of blessing, freedom and everlasting love!

If I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me, your right hand will hold me fast. (Psalms 139:9-10)
