

It's time on board, my friends! WellsARK.com welcomes you!

Revival Indeed!

When the economic crisis happened, the U.S.A and the rest of the world were shaken. From leaders and law makers to economists, from extraordinary business executives to ordinary people, from business giants to small businesses, everyone has been brought into the economic wars someway and somehow.

As a follower of Jesus Christ and being carried by the Love of God, I stepped on the amazing writing journey with Faith and Hope.

Build An American ARK will bring you on a tour from spiritual realm to physical realm to reveal the hope of revival in the U.S.A., to explore the new era's economic strategy and method to overcome the crises, to turn the economic chaos to cosmos!

Build An American ARK will show you the treasures in the darkness to fulfill our Godly prosperity!

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life” (John 3:16)

I have worked as an engineering teacher, accountant, insurance agent, importer, retailer, newspaper publisher, commercial producer & director, TV program director, song writer, screenplay writer etc. When I started to write Build An American ARK, I began to understand more deeply my favorite Bible verse: **“Yes, Father, for this was your good pleasure” (Matthew: 11:26)**

I often think that my life “flies with the winds”. I believe whether the winds come from north or south, east or west, they will blow me to the destiny which my Lord has designed for me.

As the founder and Chief Editor of website www.wellsnetwork.com, I welcome you and hope to see you there.

An Invitation Letter from Chief Editor Ling Ling Shi

Dear Neighbors,

Christmas-the most precious season in the world, is coming!

With a joyful and grateful heart, I sincerely invite you, your family and your friends to join the “Inland Valley Christmas Praise Night” to celebrate the Birthday of our Beloved Lord Jesus Christ, to embrace His Greatest Love for the whole world.

We may come from different countries, but, the Greatest Love God gave to us is same, that is the Love of Cross of Jesus Christ. By His Love, we are saved; By His Love, we have new lives; By His Love, we have Faith; By His Love, we have Peace; By His Love, we have Hope, the eternal Hope!

We may speak different languages, but, in God, the music, the stories, the songs from our hearts speak one language and deliver one message, that is God's Love!

In Christmas season, let us get together to hear the heavenly melody, to send our thanks to heaven, to our beloved God the Father, God the Son and God the Holy Spirit, to tell our God how much we love Him and how wonderful the Amazing Grace and Amazing Love He gave to the whole world!

My dear neighbors, you are invited! Let's celebrate the Christmas!

Let them give thanks to the LORD for his unfailing love and his wonderful deeds for men.
 Let them sacrifice thank offerings and tell of his works with songs of joy.
 (Psalm 107:21-22)
